**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Because AT&T and other carriers have been required to provide access to its copper and fiber lines at actual cost, I have been able to have telecommunications service from a local company that is transparent about cost of its services and has accessible customer service, unlike AT&T.
